## Project Introduction

**“Keep 'em like a diamond and make 'em shine like gold”**

### *Mission*

***Protect and make profitable your active digital.***

### *Source*

The token **Stay Gold Crypto** it is created to generate well-being, security and facilitate the process of creating digital assets: artistic, financial and intellectual.

We want that on our platform creators and investors find the security and practicality to achieve the protection of the block chain, recording and transparently monitoring the movements to their digital assets, also giving them the security and profitability of a low-cost, high-performance blockchain.

## Objectives

1. Creates a digital platform that protect them and serve as a basis for registering any type of digital assets (New Tokens, NFTs, Audios, Videos, Books, Courses, Poems, Songs, Plans, Designs, White Papers of New Projects, etc.).
2. Facilitate a digital store to sell, buy, rent, delegate, transfer, resell, receive royalties, etc.
3. Create a network **Stay Gold NET** that allows the technological infrastructure within the BSC blockchain.
4. Create an international community of authors who follow their creations.
5. Do with the support of the community that STAYGOLD is a coin profitable, that allows finance and help stability and freedom economical that all its authors. Win fans and not customers.
6. Provide support and promote the world of beauty with training and recommendations to generate your own business with fast and profitable courses. Also guide these entrepreneurs to enter the crypto world.

The first exchange pair available that we will accept will be BNB/STAYGOLD (main currency of the BSC network) directly and by exchange companies BNB, BTC and ETH.

## Economic Plan

### Stage 1

The initial offer value will be 0.0114 BNB by **STAY GOLD CRYPTO** and exceed this value market at this stage trading is only for BNB, BTC and ETH.

### Stage 2

Trade with coins like: **DOGE, SHIBA INU, USDT, MXNT, DAI and USDC.**

### Stage3

Grow the **Stay Gold NET** and increase the international community of authors of digital goods.

## Initial Token Distribution

15% FOUNDATION AND SPONSORS

10% ADMINISTRATION, SOCIAL MARKETING AND BASED NETWORK TECHNOLOGY

### **STAY GOLD NET**

15% FINANCIAL ROOM FOR MANEUVER

2% DONATION TO UKRAINE

1% DONATION FOR SENIOR PEOPLE AND GERIATRIC INSTITUTIONS

1% NGOs OF THE COMMUNITY INDIGENOUS "WICHI" FROM CHACO BOREAL ARGENTINE.

1% FINANCING FOR BEAUTY ENTREPRENEURS

55% INITIAL SALE

## **Economic benefits**

The project **STAY GOLD CRYPTO** is created at BSC NET for its speed and low cost relative to its BNB native coin.

The utility token has the ability to handle 18 fractional digits, which allows it to be highly profitable and avoid a short-term inflationary trend.
